6145 Fiscal Module and Printer Solution

Optimize your store's open hours and counter space

Printers are some of the hardest-working devices in a retail environment and are an important part of any high-performance point-of-sale system. From fiscal receipts to discount vouchers, fiscal printers are a key touch point during the customer's experience. The 6145 Fiscal Module and Printer is built with retail-hardened reliability and designed for performance to increase valuable store uptime, compact to help you make the most of your checkout counter space, and developed for easy configuration and manageability so your fiscal printer is ready when you need it.

Secure, flexible and cost-effective

This low-profile fiscal module and printer solution is easy to configure, install and manage, and is compatible with the most popular retail POS operating systems, including TCx™ Sky. This printer also adheres to the most optimized fiscal compliance requirements in Turkey.

- > Secure data transfer and remote management
- > Automated daily and monthly accounting reports
- > Mesh protection and tamper detection
- > Secure electronic journal
- > Fiscal event management
- > Print head designed to deliver longevity along with the highest speed and print quality
- > Can lead to over 30% paper cost savings (over normal printing mode)
- > ENERGY STAR certified with low power consumption, helping you save on utility costs and reducing environmental impact

Retailers

A durable, efficient printer solution that provides fiscal compliance in Turkey.

Associates

Easy-to-use fiscal printer that minimizes downtime with quick and easy paper roll replacement for faster service.

Customers

Receipts that are printed faster and easier to read keeps checkout lines moving.

Built for Reliability

Designed with the dynamic nature of retail in mind, the 6145 Fiscal Module and Printer was made to thrive in harsh retail environments.

- > Steel frame construction, designed to endure frequent use
- > Push-button cover is easy to operate and reinforced for durability
- > Sturdy latching features minimize chance of breakage
- > Paper sensor design that is immune to debris
- > Triple connectivity, with built-in USB, Powered USB and Ethernet

Serviceable, manageable hardware

To deliver a truly seamless experience for your customers, your fiscal module & printer solution needs to perform well from the moment your store opens until the last customer of the day leaves. The 6145 Fiscal Module and Printer helps retailers better manage the fiscal printer's performance and efficiency with proactive monitoring of the entire POS system to avoid problems that can cause unexpected downtime.

- > Integrated remote management technology helps to manage inventory data, defined events, firmware and configuration updates across all devices at an enterprise level
- > Industry-leading 2 year standard warranty

*6145 Fiscal Module and Printer are available only in Turkey
