VIRTUOSO

CONNECT WITH CUSTOMERS IN A WHOLE NEW WAY

Virtuoso is a custom designed solution that delivers engaging and interactive customer experiences via the power of touch. Completely unique, this interactive solution presents content in a compelling environment to promote your products and services or provide appealing self service experiences via touch display. Its exceptional functionality takes users from passive to active, allowing them to explore, expand and mark-up content, watch videos, play games, access information and more.

Toshiba's content experts work closely with each client to understand objectives and then collaborate with designers to build an application to meet those objectives. Offerings include horizontal solutions to industry specific applications – all custom designed to meet your branding and business objectives.
