

**TOSHIBA**

# TCx<sup>®</sup> SMART | hybrid

Easy-to-use compact self-service experiences anywhere you need it

## DESIGNED FOR RETAILERS TO ENHANCE SELF-SERVICE EXPERIENCES

Part of Toshiba's S-Series of self-service solutions, TCx<sup>®</sup> SMART Series provides **Self-service Modularity** that **Accelerates Retail Transformation**.

Tailored for integration with the Pro-X Hybrid Kiosk, the TCx SMART | hybrid offers a versatile solution that empowers self-checkout options in sectors such as health & beauty, grocery, and convenience. The pedestal footprint is designed to fit in smaller retail spaces, giving retailers the opportunity to reimagine store configurations and enhance operational efficiency.

Compact and ergonomic in design, the TCx SMART | hybrid addresses the unique needs of space constrained retail operations, accelerating self-service throughput without compromising on space or functionality.

## KEY BENEFITS

Integrates seamlessly with current retail infrastructure

Pedestal based footprint for versatile use in space constrained locations

Delivers freedom to innovate where transactions physically occur

Reduced cost of checkout whilst enhancing customer experience

**TOGETHER  
COMMERCE**

"A store's front-end doesn't have to be limited to the front of the store anymore. Retailers can create brilliant new experiences for shoppers anywhere."
