TOSHIBA

®TCx SMART|hybrid

Easy-to-use compact self-service experiences anywhere you need it

DESIGNED FOR RETAILERS TO
ENHANCE SELF-SERVICE EXPERIENCES

Part of Toshiba's S-Series of self-service solutions, TCx® SMART Series provides **S**elf-service **M**odularity that **A**ccelerates **R**etail **T**ransformation.

Tailored for integration with the Pro-X Hybrid Kiosk, the TCx SMART | hybrid offers a versatile solution that empowers self-checkout options in sectors such as health & beauty, grocery, and convenience. The pedestal footprint is designed to fit in smaller retail spaces, giving retailers the opportunity to reimagine store configurations and enhance operational efficiency.

Compact and ergonomic in design, the TCx SMART | hybrid addresses the unique needs of space constrained retail operations, accelerating self-service throughput without compromising on space or functionality.

KEY **BENEFITS**

Integrates seamlessly within current retail infrastructure

Pedestal based footprint for versatile use in space constrained locations

Delivers freedom to innovate where transactions physically occur

Reduced cost of checkout whilst enhancing customer experience

TOGETHER COMMERCE
