Terms for Separately Licensed Code

7701-Z01 - Toshiba CHEC Enterprise BOSS Version 7 Release 1 (Client Connections)

LICENSE INFORMATION

The Programs listed below are licensed under the following terms and conditions in addition to those of the International Program License Agreement Z126-6006-00.

Program Name: Toshiba CHEC Enterprise BOSS Version 7 Release 1 (Client Connections)

Program Number: 7701-Z01

Supporting Programs

The Program is licensed as a multi-product package and includes the Supporting Programs identified below. Licensee is authorized to install and use such Supporting Programs only to support Licensee's use of the Principal Program under this Agreement and within the limits of the Proofs of Entitlement for the Program (unless broader rights are provided elsewhere in this License Information document). The phrase "to support Licensee's use" would include only those uses that are necessary or otherwise directly related to a licensed use of the Principal Program or another Supporting Program. The Supporting Programs may not be used for any other purpose. Licensee is not authorized to transfer or remarket the Supporting Programs separate from the Principal Program. A Supporting Program may be accompanied by license terms, and those terms, if any, apply to Licensee's use of that Supporting Program. In the event of conflict, the terms in this License Information document supersede the Supporting Program's terms. When Licensee's right to use the Program expires or terminates, Licensee must discontinue use, destroy or promptly return all copies of the Supporting Programs to the party from whom Licensee acquired the Program. If Licensee downloaded the Supporting Programs, Licensee should contact the party from whom Licensee acquired the Program. If Licensee wishes to license the Supporting Programs for any use beyond the limits set forth above, please contact a Toshiba Sales Representative or the party from whom Licensee acquired the Program to obtain the appropriate license.

The following are Supporting Programs licensed with the Program:

IBM DB2 Enterprise Server Edition V9.7

Toshiba Remote Management Agent Version 3 Release 2

IBM WebSphere Application Server Version 8.5.5

Prohibited Components

Notwithstanding any provision in the Agreement, Licensee is not authorized to use any of the following components or functions of the Program:

Storage Optimization Feature (of IBM DB2)

Geodetic Data Management Feature (of IBM DB2)

Homogeneous Replication Feature (of IBM DB2)

Advanced Access Control Feature (of IBM DB2)

Performance Optimization Feature (of IBM DB2)

Limited Use Program

This Program is supplied only for use with Named Program(s) identified below or their successors. Licensee is prohibited from using this Program in connection with any other software.

Named Program(s):

IBM DB2 Enterprise Server Edition V9.7

IBM WebSphere Application Server V8.5.5

Client Device

Client Device is a unit of measure by which the Program can be licensed. A Client Device is a single user computing device or special purpose sensor or telemetry device that requests the execution of or receives for execution a set of commands, procedures, or applications from or provides data to another computer system that is typically referred to as a server or is otherwise managed by the server. Multiple Client Devices may share access to a common server. A Client Device may have some processing capability or be programmable to allow a user to do work. Examples include, but are not limited to actuators, appliances, automated teller machines, automatic meter readers, cash registers, disk drives, desktop computers, kiosks, notebook computers, personal digital assistant, point-of-sale terminals, sensors, smart meters, tape drives, and technical workstations. Licensee must obtain entitlements for every Client Device which runs, provides data to, uses services provided by, or otherwise accesses the Program and for every other computer or server on which the Program is installed.

Program-unique Terms

IBM DB2

The following applies to use of the IBM DB2 edition(s) specified in the Supporting Programs section of this License Information:

- Use Limitations: Use by Principal Program

"Use by Principal Program" means that the Supporting Program is provided exclusively for use by the Principal Program. Neither Licensee nor any application, program or device is authorized to directly use or access the services of the Supporting Program except Licensee may access the Supporting Program to perform administrative functions for the Supporting Program such as backup, recovery and authorized configuration.
