TCx[®] 810E

All-in-One POS System

DELIVERING THE ESSENTIALS IN POS TECHNOLOGY

Consumers rely on smaller businesses every day for their shopping needs. That means to deliver valuable customer experiences and keep lines moving, the point-of-sale technology you use must perform the way you need it to from the time the associate turns it on. With the TCx[®] 810E, you'll have the power of a full all-in-one POS system that's designed and optimized specifically for hospitality, quick service, and other nontraditional retail. without giving up value or functionality

KEY BENEFITS

Optimal size for space-limited counters in hospitality and restaurants

Flexible configurations for cafes and quick service environments

Easy to deploy and easy to manage

Delivers value of a total all-in-one solution at a cost-effective price point

Other point-of-sale providers have often overlooked the needs of grocerants. With the TCx 810E POS System from Toshiba, you now have the quality, durability, flexibility and serviceability you need from one provider, at a lower price.

ENTRY LEVEL SOLUTION, PREMIUM BENEFITS

Equipped with Intel® processor technology for speed, reliability, and maximum uptime, the TCx 810E offers an easily installed plug-and-go solution for fast-moving businesses that want entry level hardware with premium benefits.

Flexible peripheral options that best suit your business

Retail-optimized durability against harsher environments with IP53 rating*

Fewer moving parts to decrease risk of system and parts failure

One-stop-shop to support your other store equipment and systems to keep them operating at their best

Designed for easier future upgrades.

FULL FUNCTIONALITY WITH THE ESSENTIALS YOU NEED

Cutting costs shouldn't mean cutting corners. The TCx 810E was designed with that in mind. You get a streamlined point-of-sale system that gives you the essential features you need to run your business that other premium systems offer while having the ability to add new features to evolve your technology as your business grows.

- > Bezel-less projective capacitive multitouch technology
- > Connectivity compatibility for integration with legacy systems
- > Rich set of integrated IO ports
- > Flexible mounting options
- > Optional customer-facing 2nd displays
- > Compatibility with Windows 10 and Linux

WHY CHOOSE THE TCx 810E

Hospitality and small retail businesses need cost-conscious, streamlined point-of-sale systems that don't compromise on technology capabilities. The TCx 810E delivers an ideal solution, to get the most out of your budget, optimize counter space, and is supported by the Toshiba services you trust."

*IP52 rating with peripherals installed. Applies to TCx 810 and TCx 810E only.
